

International Conference on the History of Chemistry – ICHC2023Vilnius May 23–27, 2023

ICHC – International Conference on the History of Chemistry
JSMC – Jędrzej Śniadecki Memorial Conference “Frontiers in Molecular Life Sciences”
SCIENTIFIC AND SOCIAL PROGRAM / **SHORT VERSION**

ICHC only
ICHC+JSMC

<i>Ministry of Science, Education and Sport of Lithuania.</i> A. Volano str. 2, Registration at Maironio str. 11		<i>Centre for Physical Sciences and Technology (FTMC).</i> Saulėtekio al. 3		<i>Centre for Physical Sciences and Technology (FTMC).</i> Saulėtekio al. 3		<i>Centre for Physical Sciences and Technology (FTMC).</i> Saulėtekio al. 3		Meeting point Maironio str. 11
Time	May23 (TUE)	May24 (WED)		May25 (THU)		May26 (FRI)		May27 (SAT)
08:30 – 09:30		Registration		Registration		8.30–9.00 Registration		09:00–20:00
09:30 – 10:30		Plenary lecture / A 101 (Sponsored by SHI)		Plenary lecture / A 101 (Sponsored by French Institute, Vilnius)		9.00–10.30 Business meeting EuChemS WPHC / A 101		
10:30 – 11:00		Coffee						
11:00 – 12:30		Panel 1A / A 101 New Approaches to the History of Chemistry (Sponsored by SHAC)	Session 1B / D401 Natural and Artificial Materials	Panel 5A / A 101 Teaching Chemistry through History of Chemistry	Session 5B / D401 Early Chemical Industries and Practices	11.00–12.00 Plenary lecture / A101 (Sponsored by SHAC)		
						12:00–12:30 Poster session / Lobby		
12:30 – 14:00	12:30–15:00 Excursion to <i>Thermo Fisher Scientific</i>	Lunch						
14:00 – 15:30		Panel 2A / A101	Session 2B / D401	Panel 6A / A101	Session 6B / D401	Session 8A / A101		

	(registration is over) Meeting point Maironio str. 11	Material Culture, Texts, and Theories: an Interdisciplinary Approach to the History of Chemical Arts	Politics and Chemistry in the Long Run	Face to Face for Science: Chemistry Conferences	Female Chemists and Their Narratives	Redefining Chemistry in Revolutionary Times	Lunch will be included
15:30 – 16:00	Registration 15:30–18:30	Coffee					
16:00 – 17:30	16:30–16:45 Unveiling of the memorial plaque to Jędrzej Sniadecki. A. Volano str. 2 17:00–17:15 All participants' photo. 17:15–17:30 Opening of the conference	Session 3A / A 101 Chemistry in Lithuania and Latvia	Session 3B / D 401 Crossing Disciplines and Spaces: Chemical Frontiers in the Twentieth Century	16:00–17:30 Session 7A / A101 Laboratory Spaces, Communities and Methods	16:00–17:30 Session 7B / D401 Known and Unknown Risks and Hazards	16:00–17:00 Round table / A101 17:00–17:30 Closing Session / A101	
17:30 – 18:30	17:30–18:15 Keynote lecture.	17:30–18:45 Session 4A / A 101 Constructing Naturalness	17:30–18:45 Session 4B / D401 Alchemy: Its Tools, Images and Dreams	17:30 Bus to the city. Excursions by registration only			
18:30 – 22:00	18:30–22:00 Welcome party	19:00 Bus to the Conference dinner.		18:00 –19:30 Tour at the Vilnius University courtyards and visiting an exhibition “History of Chemistry in Lithuania” OR 18:00 – 19:30 Excursion at Vilnius city			
		19:30–22:00 Conference dinner
